

## Grade 11 Plan for Success in Grade 12 and Beyond

### Where are you now?

- Will you have completed 30 community hours by June? Take a copy or photo for your records then hand in sheets to the main office at least once a year.
- Will you have earned 24 credits by June? If not, see your guidance counsellor for a plan.
- Have you successfully completed the Literacy Test or the OLC4O course? If not, see your counsellor.
- What subjects are you most interested in and most successful at?
- Are you studying at the right level of difficulty? (College, University)
- Will you have the prerequisite courses for the grade 12 courses you want to take?
- Are you participating in extracurricular activities?

### Where are you going?

- Will you apply to college? Many college courses require Math 4C and English 4C, and specific other prerequisites.
- Will you apply to university? University-bound students need at least 6 grade 12 U/M courses including ENG4U. Each program has a different set of required courses and admission average.
- Will you start work or participate in an exchange or volunteer opportunity after you graduate?
- Are you working towards a French immersion certificate at graduation?
- The answers to these questions can be found on the websites below & through meeting your counsellor.

### How will you get there?

- Research courses of interest at universities and colleges, or apprenticeship requirements. Find out what grade 12 courses and marks are required.
- Learn more about financing a post-secondary education. All college and university websites have links to financial information. Info on OSAP at the website below. Take a quiz & see what grants and loans you're eligible for.
- Use self-assessment tools such as Career Cruising to help determine your aptitudes and interests.
- Investigate program options such as co-op or a dual credit program.
- **Stay informed over the next year by joining our Google classroom called 2020 Grads with the code oaj49e**
- Check the bulletin boards across from and in Student Services for information and opportunities on everything from community service to summer programs.
- Make an appointment with your guidance counsellor on the Student Service link of the MHS website.
- Attend university and college visits to MHS and open houses during March Break and next fall.
